incl. VAT 18%

Payments on site will be also available.

ABSTRACTS

Deadline for abstract submission is March 15th, 2018. We kindly ask you to submit your abstracts in advance. Abstracts received after the deadline will not be taken for consideration.

Abstract design requirements:

1. One page (A4), single spacing and 3cm margins, 12pt Times New Roman font. No charts or pictures in the text, please.
2. The first line should include the title (in capital letters), the second line — authors' last names and initials, the third line — institution, city and country.
3. Abstracts should include aim, research methods, results, and conclusions. No charts, pictures, references or abbreviations, please.
4. Abstracts are accepted in electronic Word format only, please send you abstracts to: tezis@scardio.ru. One file sent may include one abstract only. The file name should include the last name and initials of the first author, name of the city (country) and the number of the abstract sent without spacing (e.g. IvanovIIMoscow1 for the first abstract and IvanovIIMoscow2 for the second abstract).

All abstracts will be reviewed by **experts of the Abstracts Committee**. The Abstract Committee will select the submitted abstracts for including them into the Abstract Book as well as including presentations into oral and poster sessions.

Abstracts are published free of charge.

Abstracts are not subject to editorial changes. Submitted abstracts cannot be edited. In case of the Committee's positive decision, the abstract will be published as originally sent.

The Abstract Committee reserves the right to decline the abstract without no reason given.

YOUNG CARDIOLOGIST AWARD

Only scientists under 35 are eligible. An author (without co-authors) may submit only one paper.

The deadline for submitting papers for the Young Cardiologist Award is March 15th, 2018. Please, send you applications (noted “Young Cardiologist Award”) at konkurs@scardio.ru

All applications must include:

- the article (up to six pages (A4), 1,5 spacing, no bibliography);
- author information (full name, organization, field of research, address, telephone number, e-mail address);
- assignment of the author’s organization (scan copy);
- recommendation of the scientific advisor (scan copy).

Papers will be admitted to the final after preliminary independent review. The results of the review will be announced at official site after June 20, 2018.

The final will include 15-minute oral presentations. The winners will be awarded with the RSC prize and diplomas.

CME

An application will be made to the UEMS-EACCME® for CME accreditation of the Russian National Congress of Cardiology.

SIMULTANEOUS TRANSLATION

Simultaneous Russian-English translation will be provided during the Opening Ceremony and all international sessions.
